### Sunday School Call to Prayer

I had the privilege of leading a prayer in four of our Sunday School Departments this past Sunday. The prayer was a call to God to help us draw nearer to Him through our commitment to being in Bible Study and Worship on Sundays. The list of things that call us away from God is endless. Some are important, like meeting family needs, vacations, and even work. Many of our activities that pull us away from God have a negative impact on us as individuals, as families, and as a church. Please join me in praying for our church and our Sunday School members. Our work as a church depends on the faithfulness of our members. See you in Bible Study this week!

### Thank You Note

Dear Church Family,

Thank you so much for all of your acts of kindness toward Mims during his illness. He was so comforted by the cards that you sent him week after week. Mims loved First Baptist even though he wasn't able to attend. He was so proud of his church family and all that you did for him.

In Christian love,  
 Weesie Clark
